

When I come home from school my mum is often asleep.

There isn't any food in the house for us to **EAT** and my brother is  
crying because he is hungry. I have to go outside to find **FOOD**  
for us to eat **FROM THE** rubbish **BIN**.

This happens most nights.

## **TAKE A CLOSER LOOK**

If you suspect someone is being neglected, harmed  
or suffering abuse, **REPORT IT!**
