Photographs and digital film recording

Within school we use photographs and digital film for a number of reasons. The main purpose is to celebrate the success of pupils. Photographs are used on display boards, plasma screens and on the school website e.g. photographs of pupils learning, sports teams and members of the cast of school productions. Film is generally used to help with learning e.g. role plays.

Your child's identification will not be disclosed unless the photograph is used to celebrate individual success. We will always take great care to only show photographs if we feel the medium is appropriate.

In order to comply with Data Protection Law, explicit consent is required for each area we use the images for. **Please sign the areas you consent to individually.**
